

Simpel tid eller udvidet tid?

SIMPEL TID

1. **En kendsgerning** (især i datid): She bought a bike. His father died.
Der tænkes **ikke** på **tidsforløb** eller **proces**!
2. **En opremsning af en række handlinger**: He woke up and got out of bed; then he dressed in a hurry and fell down the stairs.
3. **Det gentagne**: The sun rises in the east. She often plays football.

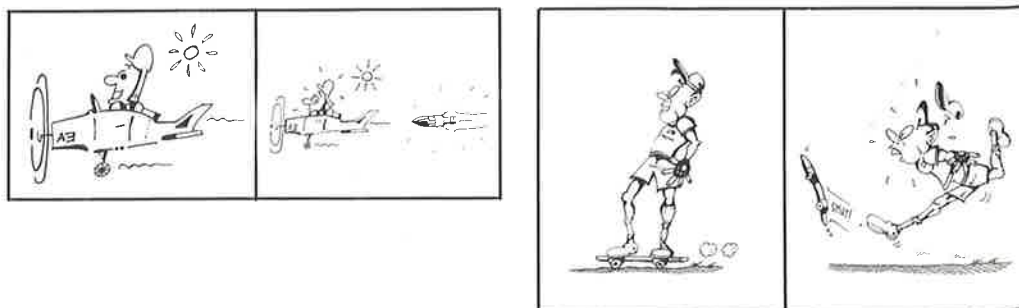

UDVIDET TID

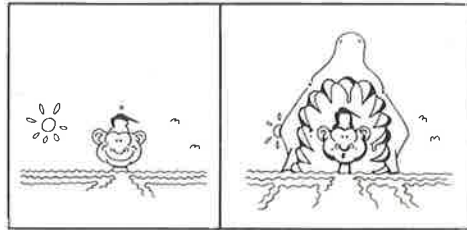

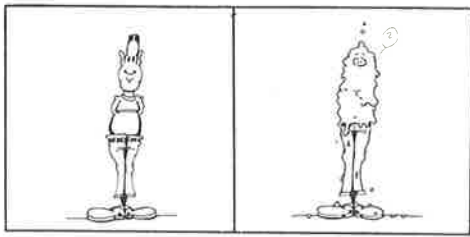

1. **NUTID**:
Det man er i færd med at gøre lige nu: What are you doing now? I am standing on my head.
Det der sker lige nu: Look, the sun is shining now!

DATID:
Det man var i færd med at gøre dengang: I saw that he was working in his garden
Det der var i gang med at ske: I saw that it was raining
2. **Parallelle forløb**: She was washing up while he was sleeping on the sofa!
3. **Afbrudte forløb**: She was writing a letter when I came in.
Noget der er i gang med at ske (»She was writing a letter«) forstyrres eller standses af noget, der pludselig sker (»when I came in«).
He was sleeping when the alarm clock suddenly rang
