

Write a personal blogpost

Blog is a discussion or informational website published on the internet consisting of discrete, often informal diary-style text entries (posts).

Write a blog entry about the topic **social media and how it affects (or could affect) your life** in a positive or negative way. The blogpost has to be in **350 – 400 words**.

Make sure to use some of the words or phrases from your wordbank:

You could include aspects from the 2 texts we have been reading (text 1 + 2 in the compendium) or make references to the episode from Black Mirror we saw in class (ep. Nosedive). It is also possible to find other aspects on social media in the compendium if you find that interesting.

Deadline: 2/12 – you get 40 minutes to finish it off in class this day as well.
